Thank you to FOO

A big thank you to FOO for running last Friday's colour run after it being postponed due to the typical British weather. A lot of fun was had by all. Lots of parents were enjoying it just as much or if not more than the children! It was great to see such a fun event bring everyone together—thank you to everyone who helped and attended.

Achievements from home

Callum has successfully read all the '100 Books to read for KS1'. Callum has enjoyed reading and discovering new worlds. From fiction and non-fiction books, and classic stories to modern adventures. As a family, some made us laugh, and some made us cry, and some, even left us confused! Amongst Callum's favourite books, was 'Would you Rather', where he cringed at the thought of having to 'chew mashed worms', although took great delight in choosing to have his 'house surrounded by water', where he would be allowed to swim all day! Callum also enjoyed 'The Book with no pictures', which encouraged all of his family members to say some very funny entertaining words, as they had to read all of the words, no matter what the words may have said! Callum has made such a commitment and passion to complete reading all of the 100 books recommended for Year 1 and Year 2, and he is now looking very much forward to starting his new adventure of reading the recommended 100 books for Year 3 and Year 4. Callum this is a superb achievement we are all very proud of you, a huge Oakfield well done to you!

Dolè and Pearl T have completed their first Mixed Martial Arts exam and they graded X2 to Yellow belt! Well done girls! A fantastic achievement, congratulations from all of us at Oakfield.

Aidan C has received his music Blue Peter badge for his participation in Rocksteady. He plays drums and has been part of Rocksteady since reception and loves it. That is a very special Blue Peter Badge Aidan. What a brilliant reward, well done and keep playing!
