Day of Sports

On Monday 3rd June, the children had a brilliant day of sporting activity. The day started with Jodie Grinham coming into school to deliver an assembly where the children got to hold her World Champion medal and her Silver Olympic medal and learn more about her career. Children got to participate in a workshop with Jodie and completed lots of fitness moves through a circuit format. Throughout the day, children had a go at yoga, archery, boccia, goal ball and speed stacking. It was a fun-filled day with lots of smiles throughout! A big thank you to Miss Borbas and Miss Emery for organising a great day.

Path to Paris

Well done to Class 6 who have completed the most journeys around the world and have reached Paris first. Class 3, Class 14, Class 5, Class 8, Class 2, Class 10 and Class 11 have logged and tracked lots of activity too and are getting close. Who will be the next class to reach Paris in time for the Olympics?

Future entrepreneurs!

A group of our year 5 children have organised a Euros competition to raise money for new playground equipment. From Tuesday 11th to Friday 14th June, children will be able to purchase tickets where they will be given a random Euro football team country. If their country is the winner of the Euros, they will win a £5 Amazon gift voucher. At the end of the competition, we will name the children who selected the winning team in assembly. Tickets cost £1 each and children can buy multiple. The children who have organised the event will be on both playgrounds at breaktime to sell tickets. They will only be selling the tickets from Tuesday 11th until Friday 14th June. The children who have organised this event have worked extremely hard and wanted to share with you a poster they have created to promote their event. Please Scroll down to view.

Achievements from home

Timo E received a trophy at his football club last Saturday for being the player of the day. Great effort Timo, congratulations to you. Lucas H received parents player of the year at his football presentation. Lucas that is a great achievement to be very proud of. Euan and Elijah H have completed stage 4 at swimming and swam 20 metres. Swimming is such an important skill and a great sport so be proud of yourselves boys, we are.

A big Oakfield well done to you all.

Eco-Council messages

30 Days Wild is The Wildlife Trusts' annual challenge event, where everyone involved does one wild thing a day throughout the month of June. Follow the [link](#) for more.
