Achievements from home

Archie C took part in the swimathon on Saturday. He swam 64 lengths (1mile) in 42 minutes and raised £220 for cancer research. This is a great achievement and a fantastic effort for a brilliant cause Archie, we are very proud of you.

Iyla C took part in her first gymnastics competition at the weekend and did very well. Well done Iyla keep up the gymnastics!

Madison L competed in her gymnastics school competition at the weekend. She was awarded Gold for the Beam, Gold for her Vault and Silver for her Floor. Overall she was placed 6th out of approximately 40 girls for her age group. Wow! A superb effort Madison—well done!

Path to Paris

Path to Paris is a fun, interactive way for children to count down to the 2024 Olympics in Paris. We are asking parents/carers to log any sporting activity at home or from clubs for their class to see how far they can travel around the world in time for the Olympics. The link and code for you to log the activity is all attached in the poster on the next page. Every couple of weeks we will be able to check which class has travelled the furthest.

Eco-Council messages

Chloe C has received her green Blue Peter badge. She put together a folder of tips of how to be an eco warrior and sent it off and suggested them to run a show with minimal electricity and fuel. Well done Chloe we are very proud to have another pupil with this great achievement.

Celebration certificates and house points

A big congratulations to all the children that were awarded with a certificate in Friday's celebration assembly.

Achievement Certificates	Writing Certificate
Jack G, Mickey Mc, Jamie H, Alex A, Alice B, Freya A, Hallie H, Theoden D	Chase W, Albie A, Alistair C, Olivia W, Eliza A, Alexander H, Aspen B, Lily A, Scarlett S

Attendance awards

Congratulations to the classes with the highest attendance across the school.

KS1	KS2	Whole School
Class 2 - 98%	Class 10 - 100%	95.6%

Welcome!

To celebrate the Paris 2024 Olympic and Paralympic Games, Path to Paris is challenging children across the country to virtually travel to Paris by getting active. By taking part, children will grow in confidence and learn vital skills, such as teamwork and resilience.

Teachers, community group leaders and families can create teams, children will log their physical activity on the Path to Paris website and each active minute will translate into virtual kilometres powering their team around the world. Path to Paris is all about getting active at home, in school, at a local sport or community group, everyone is invited to get active together and embark on the Path to Paris.

Starting from Athens, the birthplace of the modern Olympic Games, children will get active and virtually travel kilometres to power their team bus around the world. There are lots of opportunities to win amazing prizes along the way!

The final stretch will take teams through Great Britain and Northern Ireland so you can collect Team GB and ParalympicsGB athletes and learn more about them, their sports, and the history of the Olympic and Paralympic Games. With loads of motivational activities and videos, young people will be inspired to get moving to make sure their bus gets to Paris in time!
