## Happy New Year

Welcome back and a Happy New Year to you all. It has been great to see all the children back in school after Christmas. There has been lots of smiley faces and excitable story telling of their break over Christmas. We had our first celebration assembly after being back today where we got to hear all the fantastic achievements children have made in the last week. It has been a great start to the new year.

## Messages

It has been noted that during drop off times, car engines are left idling while parked up the surrounding roads. Could we please politely remind you to consider the impact this has on our environment and turn car engines off.

## Eco-Council tip

Switching off the lights when you leave a room will save energy which will help our planet.

## Achievements from home

Esme W asked to go to the local country park to pick up litter to help the environment and the local wildlife. Esme managed to find a bag full of litter including empty chip boxes, cardboard and crisp packets. Wanting to do such a good thing for our local environment is a great personal achievement! Mrs Pinchback, the Eco-Council and the rest of us are very proud of your great attitude.

## Celebration certificates

A big congratulations to all the children that were awarded with a certificate in Friday's celebration assembly.
