Welcome back

It has been wonderful to have our children back in school after the summer holiday. There has been lots of smiles and hellos around the school. It has been a pleasure to see children excited to be back and enjoying being in their new classes. There is always some nerves on the first day back but the children have settled in well and looked really smart in their uniforms.

Staffing

We would also like to give a warm welcome to our new staff starting this year. We have two new teachers, Miss Dennis in class 8 and Miss Holdaway in class 12. It is great to have them here at Oakfield.

Attendance

In our newsletters we would always report on weekly attendance. Due to being back for two days the attendance data will be reported in next week's newsletter. We have been really pleased to see so many children have been getting to school at our new start time—thank you and keep it up!

House points

As we have only been back for 2 days house points will be reported in next week's newsletter. This year we have a new and exciting way to award house point for all children. In each class there are four plastic jars, one for each house and when a child is awarded a house point they can put a house point token in their house jar. We have seen the jars filling up quickly these two days!

Achievement certificates

This Friday Mrs Cooney held our Friday achievement assembly and our teachers already had fantastic things to say about the children. A child from each class has been awarded an achiever of the week award.
