This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Improve the provision of PE for all pupils and give them access to appropriate resources and equipment.	Pupils develop a range of sporting skills and have a love of physical activity that keeps them healthy and fit.	Use of the scheme 'GetSet4PE' has given a consistent teaching approach throughout the school, allowing children to have high quality PE lessons.
To engage pupils in physical activity at lunch times. Provide regular physical activity opportunities beyond the minimum requirements of the national curriculum.	More pupils are engaged with sporting activities at lunchtimes. All children have access to physical activity and keep active at lunch times. Reduced behaviour incidents at lunchtimes.	Coaches in at lunchtimes to run activities on different days for different years groups. There are also some lunchtime clubs on too.
We want children to gain a broader knowledge of physical education and have the opportunity to experience a range of different physical activities.	Pupils developed new skills when learning about different sports, encouraging them to apply the newly taught skills in practise game situations.	Use of the scheme 'GetSet4PE' has allowed children to experience a wide variety of sports, therefore developing their sporting skills.
Children to take part in a range of different adventurous sports. Children to build resilience and confidence in physical activity.	Children build confidence and resilience in activities they would not normally have access to.	Through Yr 6 residential as well as trips in other year groups.
We want children to have opportunities to take part in a range of competitive sports. Learn the values of good sportsmanship and compete as a member of a team.	Children have developed resilience and a healthy competitiveness. They have learnt to represent the school as individuals and as part of a team. They have	Signed into a 'School's Sports Partnership' which runs and organises competitive event throughout each academic year.

<p>Broaden the sporting opportunities and experiences available to all pupils. Children to receive formal coaching and take part in competitive sport.</p>	<p>learnt the values of great sportsmanship. Children have competed in sporting events including swimming galas, rounders, netball, football, tag-rugby and dodgeball.</p> <p>Increased interest across all pupil groups for participating in additional sports. Pupil voice is increasingly positive about sport. Children have played competitive sport.</p>	<p>Club offers before and after school have allowed children to take up different experiences. Year 6 children are Sport Captains giving them a role within sport in the school.</p>

## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
KS1 Active Essex Mark has been awarded. This award is for 2 years.	Our school has been recognised as providing a good sporting offer to our KS1 children. It highlights that children are engaged and enjoy sport within the school.	Subject leaders attended the ceremony to collect the award which is now displayed in the school reception.
Achieved 'Gold' in the KS2 School Games Mark.	We achieved 'Gold' in the School Games Mark which again highlights our good sporting offer to the children of our school. Children have opportunities to represent the school against other local primary schools to develop and perform in the chosen sport.	We achieved 'Silver' last year so we have improved and developed our offer of sport and have been recognised as a 'Gold' award school for sport.
Came 3 <sup>rd</sup> in our Wickford Schools 'Athletics Championships'.	Children were pleased to have performed well and work together as a team to achieve 3 <sup>rd</sup> place as the outcome. Children competed in individual sports as well as a team event of the relay.	60 children took part in the athletics event, ranging from sprinting, throwing, relay and jumping.
Attended many events and made it through to the finals.	Children have taken part in a range of event such as football, netball, cross country, athletics, tag-ruby and have been able to progress from the family round into the partnership finals.	In the netball, we have been able to take more than one team to the event to allow more children to take part.

<p>Had a Paralympian come into school to deliver an assembly and run a circuit activity with all children in the school.</p>	<p>Children had the opportunity to meet a Paralympian who will be competing in the Paris 2024 Olympics. She was a silver Olympic medalist as well as World Champion.</p>	<p>Children took part in a day of sport which meant they had a whole day of sporting activities. Children had a go at boccia, goal ball and archery which are all different sports to their curriculum.</p>

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	88%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	86%	

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>86%</p>	
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>No</p>	<p>Swimming lessons taught by qualified staff employed by the swimming pool</p>
