Writing Unit of Work Overview

	Across the school, we follow Jane Considine’s approach to writing, ‘The Write Stuff’. This approach provides teachers and children with the tools and structures for effective writing, including high-level vocabulary, grammar in context and powerful sentence stacking. We also teach writing enrichment lessons that have been designed to sit alongside and enhance our existing ‘The Write Stuff’ approach. These sessions are intended to provide targeted, focused teaching that complements the main writing units, ensuring that children are fully supported to succeed and make progress.
