

Year 6

Termly Learning (Autumn 1 2026-2027)

Science	History	Geography	PSHE
We will be classifying big and small living things.	We will be exploring the Census in our local area.	We will be answering the question 'Why does the population change?'	We will be learning about my healthy self: and considering the question, 'How do my choices today shape my future wellbeing?'
Music	Computing	RE	Outdoor Learning
We will be learning about four chords in pop and playing in a band.	We will be studying programming and will be exploring nested loops.	We will be considering how and why does religion bring peace and conflict.	We will be enjoying our time out in nature and focusing on mindfulness.
Art	DT	French	PE
We will be exploring painting and mixed media to create our own personal art pieces.	We will be designing and making a bag.	We will be learning about French sport and the Olympics.	PE will involve swimming, dodgeball and netball.
Maths	Reading	Writing	
This half term we will be focusing on comparing numbers to 1,000,000. We will be exploring methods for addition, subtraction, multiplication and division. We will apply our methods to worded problems. I do We do You do	Reading lessons are comprised of two Book Talk sessions, which are focused discussions, as well as three comprehension lessons. These include; developing summaries, making logical connections and answering questions, alongside fluency.	Our writing is centred around the 'Writing Rainbow', where we focus on key skills through different 'lenses'. We will especially focus on writing narratives that include suspense. Our spelling rules are: Short vowel sounds- i and y, words with long vowel sounds- i or igh, prefix- over, suffix- ful.	

Year 6

Termly Learning (Autumn 2 2026-2027)

Science	History	Geography	PSHE
We will be exploring light and reflection.	We will be exploring the Census in our local area.	We will be answering the question 'Why does the population change?'	We will be learning about connecting with others and considering the question 'what does it mean to stand up for myself and others?'
Music	Computing	RE	Outdoor Learning
We will be learning about four chords in pop and playing in a band.	We will be continuing exploring programming and begin to look at computer systems and networks.	We will be considering the question, 'how do Buddhists explain the suffering in the world?'	We will be working as a team to build a shelter.
Art	DT	French	PE
We will be exploring painting and mixed media to create our own personal art pieces.	We will be continuing to make a bag.	We will be learning about French sport and the Olympics.	PE will involve swimming, dodgeball and netball.
Maths	Reading	Writing	
This half term we will be focusing on fractions. Our learning will involve comparing, adding and subtracting fractions. We will also begin to look at multiplying and dividing fractions. I do We do You do	Reading lessons are comprised of two Book Talk sessions, which are focused discussions, as well as three comprehension lessons. These include; developing summaries, making logical connections and answering questions, alongside fluency.	Our writing is centred around the 'Writing Rainbow', where we focus on key skills through different 'lenses'. We will especially focus on writing a non-chronological report. Our spelling rules are: words that can be nouns and verbs, words with an 'oa' sound spelt 'ou' or 'ow', words with a soft c spelt 'ce'.
